

WEF 2019 Davos / VIP Helicopter Transfers

Lions Air is your ideal partner for the smoothest transfer to and from Davos during the World Economic Forum WEF 2019 (21st – 27th January 2019). Within only **35 minutes** we'll take you from Zurich Airport or Duebendorf Airport or any other suitable location in and around Switzerland to Davos.

Our IFR certified, **twin engine helicopters** give you the benefit of special comforts:

- exclusive VIP-interior
- special sound proofing
- newspaper, snacks and drinks on board

Some of the available helicopters are:

Agusta 109 Grand (twin engine)

Cabin: Up to 5 passengers in an exclusive VIP-interior. **Model:** 2009

Airbus H135 (twin engine)

Cabin: Up to 5 passengers in an exclusive VIP-interior.
Large baggage compartment **Model:** 2008

Our fleet gives us the opportunity to provide you with the right helicopter at all times during the WEF.

Please contact us on wef@lionsair.ch or phone +41 44 828 88 88 for a detailed quote and all relevant information to plan your personal trip.

If your helicopter transfer is in combination with a private- or business jet flight from abroad, we are working closely with TopMotion Aircraft Handling (www.topmotion.ch, aircraft.handling@topmotion.ch) at Duebendorf Airport who is happy to handle the aircraft and a smooth transfer to your helicopter provided by Lions Air.

We are looking forward to flying for you
